CERTIFICATION REGARDING USER AGREEMENTS
Request for Proposal No. 25-39R

This is a required submission for Proposals involving Software and IT User Agreements. Failure to acknowledge and certify Proposer's compliance and to provide copies of all User Agreements (as defined below) will render the Proposal ineligible for award of a contract.

As part of its submission, the Proposer must submit, and certify that it has submitted, any and all applicable documentation, including but not limited to: End User License Agreements (EULAs), Service Level Agreements (SLAs), Master Service Agreements (MSAs), software maintenance and support licenses, subscription agreements, Software as a Service Agreements (SaaS), Cloud (including private, public or community cloud) and/or other hosting Agreements, and/or purchase orders (collectively, the "User Agreements"), if any, that Manufacturer or the Proposer (if separate entities) will require PRT to sign in order to complete the purchase and use the products and/or services requested herein. Failure by the Proposer to submit any and all such User Agreements at the time of submission will render Proposer's submission non-responsive and ineligible for award. PRT reserves the right to negotiate such User Agreements consistent with the Terms and Conditions and all requirements relating to this solicitation.

Proposer certifies that it has read and understands the above Proposal requirement, and that it has complied by providing copies of all applicable User Agreements with its submission.
