The information provided herein below is for informational purposes only. Any changes to the RFP will be by written addendum only and nothing stated in the following material shall be construed as a change or qualification, in any way, to the provisions of the RFP.

QUESTION #1:

We would like to confirm whether firms capable of handling the full scope of work in house are still required to use a subcontractor.

RESPONSE #1:

No firm is required to utilize a subcontractor. We do, however, rate proposers on making a good faith effort to utilize a DB subcontractor for a portion of the services. Please see exhibit 8 of the RFP.

QUESTION #2:

If subcontractors are optional, will firms who use them be considered more favorably during PRT's selection process than firms who opt not to?

RESPONSE #2:

A good faith effort to utilize a DB firm as a subcontractor for a portion of the services is taken into consideration during the evaluation process per exhibit 8, the rating sheet, of the RFP.
