

Bidder Information Sheet

B26-08-51

Asbestos-Free Brake Blocks Assembled on Shoes

Your Company Name (Bidder): _____

Contact Email: _____ Contact Telephone: _____

Authorized (Contract) Signatory: _____

Title: _____ Email: _____

Pittsburgh Regional Transit (PRT) requires Contract signatories to have binding authorization on behalf of the company, firm, or organization. Acceptable titles include corporate officers (Chief Executive Officer, Chief Financial Officer, etc.). If signatory is not a corporate officer, provide a corporate resolution or Limits of Authority (LOA) stating the name, position, and dollar value of signing authority.

Bidders shall provide the following information with their bid:

Brake Block Manufacturer: _____

Single Friction Coding _____

Edge Code Approval No. _____

Formula Identification _____

Table Manufacturer: New Flyer: _____

Gillig: _____

(All Gillig-supplied W-Shoes must utilize a “snap-in” roller design.)

The Bidder shall submit with their bid, or within three (3) business days from receipt of request from PRT, updated Safety Data Sheets and Technical Product Data Bulletins for review and approval by PRT. Safety Data Sheets shall have been updated within the past five (5) years.

The Bidder shall provide with their bid, or within five (5) business days of request from PRT, a detailed explanation of their procedure for attaching the brake block to the brake shoe. Approved rivets or bolts can be used to attach brake blocks to shoes. The Bidder shall indicate which method will be used for attaching the brake blocks to the shoe for each stock number. The method provided at the time of bid shall be used for the entire duration of the contract.

Brake blocks (linings) shall be field tested and approved, in accordance with the current requirements as stated within this specification. **Bidders wishing to propose an alternate brake block shall be required to complete field testing described by PRT and will not be approved for use on this contract.** Should a Bidder wish to have their product approved for future purchases, the Bidder shall conduct field testing, submit a report and be approved by PRT as described in Section 2.4.2 of the specification.

PLEASE NOTE: Failure to provide a completed Bidder Information Sheet and/or Certification Regarding Lobbying form (or any issued Addendum Acknowledgements) at the time of bid submittal will result in the Bid being deemed non-responsive and ineligible for further review and award. Please be advised that a completed and signed Certification Regarding Lobbying form is required for all solicitations, regardless of the dollar value of your bid. Negative responses pertaining to Lobbying activities are required.
