Pittsburgh Regional Transit (PRT) requires Contract signatories to have binding authorization on behalf of the company, firm, or organization. Acceptable titles include corporate officers (Chief Executive Officer, Chief Financial Officer, etc.). If signatory is not a corporate officer, provide a corporate resolution or Limits of Authority (LOA) stating the name, position, and dollar value of signing authority.

Per the Technical Specifications, §3.a., Bidder shall have been in business for at least three (3) years. **How long has your firm been in business?** _____

Per the Technical Specifications, §3.b., Bidder shall have provided similar products for companies, businesses, or nonprofit organizations within the past three (3) years.

Per the Technical Specifications, §3.c., Bidder must be fully authorized to resell the Fiix support set forth herein and must agree to provide warranties as required in PRT’s Conditions and Instructions to Bidders (“CIBs”) for line items one and two in Section 2.a.i. Proof of current authorization must be supplied at the time of the bid submittal. Proof of authorization as an Fiix reseller that would be accepted:

- Copy of reseller agreement from Rockwell Automation;
- Proof of Rockwell Automation partner status paperwork; or
- Written communication from Rockwell Automation confirming status as a current Rockwell Automation/ partner/reseller.

Per the Technical Specifications, §3.d., As part of its Bid submission, the Bidder must submit, and certify that it has submitted, any and all documentation, including but not limited to: End User License Agreements (“EULAs”), software maintenance and support licenses, subscription agreements, Software as a Service (“SaaS”) Agreements, Cloud and/or other hosting Agreements, and/or purchase orders (collectively, the “User Agreements”), if any, that Okta or the Bidder will require PRT to sign in order to complete the purchase and use the Okta support requested herein. Failure by the Bidder to submit any and all such User Agreements at the time of Bid submission will render Bidder’s Bid submission non-responsive and ineligible for award.
