PRT may request samples of proposed equal parts for review. Sample(s) shall be provided within seven (7) days of request by PRT. Samples may be installed on a transmission or assembled with matching parts.

The Bidder shall be responsible for cost of the sample and all costs associated with shipping and return of the part. Parts that are not requested to be returned will be discarded. Only one sample may be submitted for any item/part number.

It will be PRT's discretion to determine if the part is an "Approved Equal." Samples that do not fit and/or fail to conform to the requirements for the intended use shall be cause for PRT to reject the bid on that item. PRT's decision will be final.

Please Note: Failure to provide a completed Bidder Information Sheet and/or Certification Regarding Lobbying form (or any issued Addendum Acknowledgements) at the time of bid submittal may result in the Bid being deemed non-responsive and ineligible for further review and award. Please be advised that a completed and signed Certification Regarding Lobbying form is required for all solicitations, regardless of the dollar value of your bid. Negative responses pertaining to Lobbying activities are required.
