PLEASE NOTE: Failure to provide a completed Bidder Information Sheet and/or Certification Regarding Lobbying form (or any issued Addendum Acknowledgements) at the time of bid submittal may result in the Bid being deemed non-responsive and ineligible for further review and award. Please be advised that a completed and signed Certification Regarding Lobbying form is required for all solicitations, regardless of the dollar value of your bid. Negative responses pertaining to Lobbying activities are required.

Should the Bidder propose to furnish replacement parts other than the specified manufacturers and part numbers listed in specification Section 3.0, the Bidder shall upon request from PRT submit a sample part and its specifications for each part being proposed for consideration by PRT as an “Approved Equal”. Sample parts and equipment shall include all connection cables and mounting brackets required to install the unit onto the coach. Samples that fail to conform to the requirements for the intended use will be cause for PRT to reject the bid on that item. The Bidder shall bear all costs associated with sample submission. Rejected samples will be returned to the vendor, shipped “Freight Collect”.

For each “Proposed Equal” part, references shall be provided for transit companies already using the proposed part(s), within seven (7) calendar days of request by PRT. Three (3) references shall be provided, identifying transit companies that have successfully installed and used the “Proposed Equal” parts in urban transit buses similar to those operated by PRT for a period of three (3) years or longer. A contact person and phone number shall be provided for each reference. PRT reserves the right to contact any references provided. It will be PRT’s discretion to determine if information provided sufficiently validates the part to be an “Approved Equal.” PRT’s decision will be final.
